The last day to register to vote for the February 5, 2008 Presidential Primary Election is **Tuesday, January 22, 2008.** Your form must be signed, dated and postmarked by that deadline.

Because of the January 22 registration deadline, it is now too late to use the on-line voter registration system to register to vote for the February 5, 2008 Presidential Primary Election.

You can click on the National Voter Registration Form, available in both English and Spanish and download and print the form from your home computer. Complete the form and mail it to your county elections official http://www.ss.ca.gov/elections/elections_d.htm. Remember, however, that the form must be **postmarked by January 22, 2008**, in order for you to be registered and eligible to vote in February's Presidential Primary election.
